Microchips – Foals of 2018

10. Some breeding establishments are yet to request for microchips for **foals of 2018**.

11. The concerned Breeding Establishments are requested to kindly inform:-

(a) **Number of foals of 2018** standing at their Breeding Establishment.

(b) **Name of the Panel Veterinarian**, whose services are being used for completing the Certificates of Identity, etc.

12. The cost of the microchip is ₹ 360/- each. Sufficient balance in Stud Account be kindly maintained so as to defray the cost of the microchips.

Receipt of Hair Samples of 2018 Foals and Newly Registered Breeding Stock

13. Since the foal-crop of 2012, hair samples of yearlings and breeding stock are being sent to the Stud Book Department by the Breeding Establishments. Samples are received sometimes in bits and pieces and even delayed, thereby disrupting our testing schedules.

14. Keeping in mind the scheduled Annual Maintenance of our DNA equipment, it is imperative that all samples are received latest by **31 July 2019**. In case the hair samples are not received by the deadline, they will be tested in **Jan 2020**.

15. It is also requested that one shipment of hair samples is received from a Breeding Establishment, which will include samples of foals and breeding stock.

16. The above will also facilitate the Breeding Establishment to ascertain the DNA typing charges and the due dates of payment.
