**TEMPORARY DISCONTINUATION OF EQUINE INFLUENZA VACCINATION IN 2022**

The Veterinary Commission of TAI in its meeting held on 4<sup>th</sup> March 2022 at the Madras Race Club, Chennai has unanimously decided that the mandatory Equine Influenza (EI) Vaccination due in 2022 be temporarily discontinued during 2022 primarily due to NON-AVAILABILITY of the EI vaccine in the country.

Consequently, the mandatory EI vaccination requirement of two-year-olds and older horses that are likely to enter from stud farms to race courses is also temporarily suspended during 2022 and the Senior/Chief Veterinary Officers are requested not to insist upon EI vaccination certificates.

Further, new EI vaccination schedules will be issued by the Veterinary Commission when the vaccine becomes available.
